Video Comm. report

• There were 9 submissions of which 7 were accepted. Six of those 7 are videos, one is a JavaScript demo, and all are cool.
• I really can't think of anything else worth saying. Absolutely no issues came up. It was too easy.

Discussion: Do the costs of ACM affiliation outweigh the benefits?

• Costs:
  – increase costs by 16-41%
  – add planning complexity & reduce flexibility
  – current publishing model misplaces effort?

• Benefits
  – ACM covers deficits
  – accountability & assistance
  – stamp of quality, digital library, library subscrip.

Straw poll: Do the costs of ACM affiliation outweigh the benefits?

• Unique opportunity:
  – disgruntled previous local chair (Steve): ACM insisted on sponsoring
  – current local chair (Jack) wanting flexibility
  – Dagstuhl asks to pub & host proceedings
  – new online journals to be incorporated
  – PC accepted more papers
