

Steering Committee Report

By Marc van Kreveld

Steering Committee

- Marc van Kreveld
- Joe Mitchell
- Anne Driemel (co-chair)

Since 2022

- Maike Buchin
- Wolfgang Mulzer
- Erin Chambers (co-chair)

Since 2024

Tasks/activities

- Select new PC chairs 2026: done
- Select other chairs: YRF, MM, Challenge 2026: to be done
- SC acts as general chair of CG Week
- SC is workshop chair (Maïke Buchin)
- SC advises PC chairs and local organizers (choice of PC, CFP, ...)
- SC selects proceedings chair
- SC runs business meeting and discussion forum
- SC solicits bids for CG Week 2027: done
- Installed Task Force on a second track at CG Week, for *applied/ implementation/ experimentation papers*

Important tasks now

- Monitor the USA situation, given CG Week is held in 2026 in the USA
- Continue with designing a proper way that can lead to two tracks
 - > How would a split work?
 - > What do we require of papers in the second track?
 - > How do we name the tracks?
 - > Will there still be paper types, or something else?
- Resubmit application for A+ status in ICORE
- Formalize certain matters with the CG Society board
- Matters around CG Week 2025 and 2026
