

CG Week 2019 Portland, Oregon

- Conference at the University Place Conf Center
- Workshops at the Maseeh College of Eng and CS
 - Open problems and hard instance challenges
 - Algebraic methods in discrete and computational geometry
 - The 4th workshop on geometry and machine learning
 - The 8th annual symposium on computational topology
 - Young researchers forum
- Excursions/Banquet:
 - Columbia Gorge
 - Oregon wine country
 - Music at crystal ballroom
- Birthday celebration: John Hershberger is 60!

CG Week 2019 Portland, Oregon

- We could have done a better job!
 - Childcare advertisement
 - Using credit card with PayPal was not as straight forward as we were told
 - Some people had difficulty paying without creating a PayPal account
 - Our registration form and PayPal were not perfectly connected
 - We received emails from people wondering whether their registrations went through
